Student Leadership

God's Word tells us leaders are to live by a higher standard. Often people mistake leadership as a position, a title, or a place where one can be popular and powerful. This isn't true leadership; true servant leadership is using your influence to serve others. The student leadership team is for teenagers who are willing to do what it takes to rise to a higher standard to be key influencers in extending the kingdom of God.

Standards of the Student Leadership Team

Leaders lead by example. It is impossible to lead without consistent attendance and participation.

1. **A student leader must model a servant attitude.** Mark 10:45 says, "The Son of Man came not to be served but to serve others" (NLT). Serving others is the focus rather than pride, ego, and boasting.
2. **Student leaders must have a personal relationship with Christ** and are expected to have a regular time alone with God in prayer and reading God's Word.
3. **A student leader is expected to live out Ephesians 4:29**, "Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen" (NIV). Student leaders are to be positive and encouraging. If there is a problem among the group, students are expected to talk with the leader about it, not other students. Student leaders are expected to support the adult leadership team.
4. **A student leader is expected to be a facilitator** to help connect new students in the group. This means keeping an eye out for new students, talking and sitting with them, and introducing them to others.
